

Information contained in this document is provided as guidance for municipalities ordering reusable bags under the bulk-purchasing terms negotiated by the CIF with Multi Bag Inc. (“the supplier”). Terms were negotiated for the purchase of reusable bags through the 2016 CIF Cooperative Container Procurement Program competitive tender process.

This opportunity is made available to Ontario Municipalities & First Nations to contract individually with the supplier; the CIF accepts no responsibility for any aspects of contracts or agreements to purchase that are made between the supplier and purchaser(s).
