

Information contained in this document is provided as guidance for municipalities ordering Recycling Carts under the bulk-purchasing terms negotiated by the CIF with Rehrig Pacific Ltd. (“the supplier”). Terms were negotiated for the purchase of 95 gallon Recycling Carts through the 2016 CIF Cooperative Container Procurement Program competitive tender process.

This opportunity is made available to Ontario Municipalities and First Nations to contract individually with the supplier; the CIF accepts no responsibility for any aspects of contracts or agreements to purchase that are made between the supplier and purchaser(s).
