

This document provides guidance for municipalities ordering reusable bags under the purchasing terms negotiated by the CIF with the supplier listed below. Pricing was received through a competitive tender process in 2018.

This opportunity is available to Ontario municipalities and First Nations to contract individually with the supplier. The CIF accepts no responsibility for any aspects of contracts or agreements to purchases made.

<b>Supplier</b>	Multi Bag Inc.
<b>Price (per unit) *</b>	\$1.25
